ABOUT ON PACE

On Pace Race started as a pacing company in 2017 in Green Bay, WI. Our amazing community of dedicated endurance athletes, hailing from coast-to-coast, can be found at a growing number of events throughout 16 states in the US. Our pacers are super experienced runners with engaging personalities who run much slower than they can to help other runners run faster than they ever thought possible. We help runners from the very fast to the very last to achieve their goals by running right with them at an even pace and encouraging them the whole way.

On Pace Events started in 2021 with the first annual Run De Pere Half Marathon and 5K. The goal of On Pace Events is to promote health and wellness by creating a best-in-class experience for athletes while bringing the community together and showcasing the beauty of De Pere.

THANK YOU FOR HELPING TO SUPPORT OUR MISSION!
